PREVANTATIVE MAINTENANCE IN-HOUSE SERVICES

Did you know we offer a variety of different preventative maintenance in-house services that will help keep your truck in great shape, and ensure that you're ready to take on the road?

DURASHIELD UNDERCOATING

It's time to undercoat with Durashield! Durashield Dripless oil is a formulated oil-based product specifically blended as an annual drip-free automotive rust-preventative coating. Make sure to undercoat your truck or vehicle now to ensure it's protected against the salt and snow this winter!

3 AXLE ALIGNMENT

Benefits of getting your alignment done:

- Increase fuel efficiency, by reducing the work for your engine.
- Reduce expensive repairs by reducing wear & tear.
- Experience smoother driving.
- Improve vehicle safety.
- Increase the life of your tires, which saves you money.

WHEEL POLISHING

Benefits of wheel polishing:

- **Safety** - oxidized rims camouflage cracks, polished rims show dangerous defects.
- **Pride** - a well-polished truck communicates the pride of it's owner/operator.
- **Resale** - a well-polished truck demands a higher price on the resale market.
